

ANNOUNCEMENT FROM MR. KINSEY

This is to inform everyone that there will be the initial meeting of the EHT Indoor Drumline on November 15th (Monday) at 6:30PM in the band room.

The meeting will focus on the following;

- *Goals and Requirements (practice time vs. rehearsal time)
- *Music Program
- *Schedules---Performance and rehearsal
- *Parental involvement (chaperones, handlers)
- *Handbook

ALL parents and students are invited to attend.

This has been a successful group over the past few years, and if anyone else is interested who's NOT in the Outdoor Line; they are more than welcome.

Please have anyone interested in participating in the 2011 Indoor Percussion season email me (askinsey1@hotmail.com), especially if they have not already received this message via email. ***I need to get an idea on who's interested ASAP.***

The music is written for the group, everyone will have a part, but I need to know who's interested before I can finalize the music itself.

There will be 2 groups: the Marching Ensemble, and the Concert Ensemble (non moving); there is room for anyone that's interested.
